

10 December 2012

Dr Peter Bergin
Neurology
Support Building, Level 8
Auckland Hospital
Park Road
Auckland 1015

Dear Dr Bergin

Re:	Ethics ref:	MEC/11/EXP/070
	Study title:	The EpiNet project; an open-ended, observational study of epilepsy(continuation of previous study; An International Pilot Study of anInternet based platform to run epilepsy trials (Epinet) MEC/09/02/016)

This letter is to confirm receipt of the annual progress report for this study, submitted on 30 November 2012. HDEC approval for the study is re-confirmed for the period 30 November 2012 to 30 November 2013.

The Northern A Health and Disability Ethics Committee will be in contact with you within 15 days of this date if it requires further information on any matter relating to this annual progress report, or if it wishes to reconsider its approval for the study. In the absence of such contact you should assume that the annual progress report has been accepted and approved without comment. No separate letter will be sent confirming this.

Please don't hesitate to contact us for further information.

Yours sincerely,

Rohan Murphy
Administrator
Health and Disability Ethics Committees
